

Cherrybomb_-_John_Mellencamp

[Intro]

G Am G Am G Am G Am

[Verse 1]

G Am
Well, I lived on the outskirts of town
G Am
In an eight room farm-house, baby
G Am
When my brothers and friends were around
G Am
There was always something doin'
Em Bm
Had me a couple of real nice girlfriends
Am C
Stopped by to see me once in a while
Em Bm
When I think back a-bout those days
Am C G
All I can do is sit and smile

[Chorus]

G Am
That's when a smoke was a smoke
G Am
And groovin' was groovin'
G Am
And dancin' meant everything
G Am
We were young and we were improvin'
G Am
Laughin', laughin', with our friends
G Am
Holdin' hands meant somethin', baby
G Am
Outside the club Cherry Bomb,
G Am
Our hearts were really thumpin',
Am G Am C/D Am
Say yeah, yeah, yeah
N.C. G Am
Say yeah, yeah, yeah

[Verse 2]

G Am
The winter days they last forever
G Am
But the weekends went by so quick
G Am
Went ridin' around this little country town
G Am
We were goin' nuts girl, out in the sticks
Em Bm
One night, me with my big mouth
Am C
A couple guys had to put me in my place
Em Bm
When I see those guys these days
Am C
We just laugh and say, Do you remember when?
[Chorus]

[Verse 3]

Now, seventeen has turned thirty-five
I'm surprised that we're still livin'
If we've done any wrong
I hope that we're forgiven
Got a few kids of my own
And some days I still don't know what to do
I hope that they're not laughin' too loud
When they hear me talkin' like this to you

[Chorus]
